Source Evaluation

Title: _____

Author:_ _____

Source Type: _____

		Score (1-10)
Currency	When was it published? Has new information likely changed things since publication? Have perspectives changed on this topic?	
Relevance	How closely related is this to my actual topic? Does it give me information I haven't found in other sources? Does it help me prove my point? Does it help me consider counterpoints to my point of view?	
Authority	Who wrote this? What experience, training, and expertise do they have? How respected are they in their field? How related is their expertise to this topic?	
Accuracy	Does this source cite other reliable sources? Is the site professional, proofread, and polished? Do I see any obvious errors and mistakes? If I double check a fact, can I find evidence for it elsewhere?	
Purpose	Why was this written? Is the author trying to sell me something? Does the author have a bias?	

Should I use this source? _____
